

## Acknowledgement to referees 2018

Published online: 5 February 2019

© International League of Associations for Rheumatology (ILAR) 2019

On behalf of the Editors of *Clinical Rheumatology*, I would like to express my most sincere and deepest appreciation to those who served as reviewers for *Clinical Rheumatology* in 2018 as listed below. They committed their valuable time and

expertise to ensure the quality of the articles published in *Clinical Rheumatology*. In addition, they have provided an invaluable service to the Editors and also to authors and to our discipline of clinical rheumatology.
