The meta-analysis referenced in the "Obstructive Sleep Apnea" section should instead refer to a meta-analysis for chronic kidney disease. Additionally, there are two mis-numbered reference citations in the "chronic kidney disease" section (ref. 107 should ref. 104 [Wang C et al. 2014] and ref. 105 should ref. 102 [Sakai Y et al. 2013]).
