LETTERS TO THE EDITOR

The Journal welcomes letters to the editor (LE) provided they address a recent publication in the Journal and meet the following criteria (as outlined in guidelines to authors):

1. Maximum of 300 words (no abstract)
2. Maximum of 2 tables
3. Maximum of 2 figures
4. Maximum of 3 references
5. Maximum of 5 abbreviations

The LE is reviewed by the Editor-in-Chief and is sent to the author(s) of the paper in question for a

response. The response should follow same guidelines above.

Both the letter and the response are published in the same issue of the Journal and, when feasible, together with the original paper.
