

Corrigendum

Corrigendum to “Interventions aimed at changing impulsive choice in rats: Effects of immediate and relatively long delay to reward training” [Behav. Process. 158 (2019) 126–136]

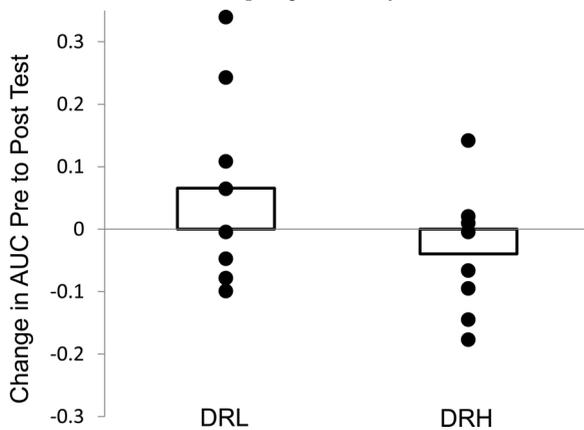

Adam E. Fox*, Emma J. Visser, Alycia M. Nicholson

St. Lawrence University, United States

The authors regret that Fig. 2 was inadvertently cropped off at the top, obscuring a data point for a subject in the DRL group. The corrected figure is shown below. Otherwise, the mean bars and analyses related to the figure were correct as reported.

The authors would like to apologise for any inconvenience caused.
