The authors regret the following error that was committed in the first version of their article. In Materials and methods, Section 2.2 Enzyme-linked immunosorbent assay (ELISA), SFTSV YG1 strain [2] should be changed to SFTSV HB29 strain [1].

The authors would like to apologise for any inconvenience caused.

## Acknowledgement

We thank Dr De-Xin Li and Dr Mi-Fang Liang, National Institute for Viral Disease Control and Prevention, Chinese Center for Disease Control and Prevention, Beijing, PRC, for providing us with the SFTSV HB29 strain.
