## Departments

### LETTER TO THE EDITOR

**134 Investigation of Stethoscope Technology for En Route Care**

*Melissa A. Wilson, Brittany L. Fouts, and Charles J. Harding*

### ASK THE CAMTS

**135 Back to Basics**

*Eileen Frazer*

### CRITICAL CARE UPDATE

**136 Faces of Terrorism**

*David J. Dries*

### LITERATURE REVIEW

**139 Articles That May Change Your Practice: Prehospital Antibiotics**

*Russell D. MacDonald*

### 141 FORUM

ON THE COVER & BELOW: The cover photo is the H-130 from Children's Hospital Colorado, located in Aurora, which is a dedicated NICU/PICU team transport program, a collaboration of CHCO Clinical Transport Team, REACH Air Medical Services (providing the rotary wing aircraft and support), and Guardian Flight (providing the fixed wing aircraft and support of the Pilatus PC-12, inset photo). Credits and permission to use the photos: H-130 (helicopter) by Kevin Falkenstine  
PC-12 (Fixed Wing) by Joe Darmofal (Also approval for utilizing the Hospital/Program's image/logo)
