This article has been retracted: please see Elsevier Policy on Article Withdrawal (<https://www.elsevier.com/about/our-business/policies/article-withdrawal>).

This article has been retracted at the request of the Editor-in-Chief. Multiple figures in this article appear to be falsified/fabricated. Figure 2A. The images appear to be rotated and reused.

Figure 3A. The Beta-actin band appears to be identical to articles from multiple other journals. (doi:10.1016/j.canlet.2005.10.049; doi:10.1002/mnfr.20070019; doi:10.1007/s11095-008-9723-z; doi:10.1016/j.lfs.2007.04.009; doi:10.1080/01635580701613772)

Figure 6. The Beta-actin band appears to have been reused and possibly manipulated.
