

Erratum to: “Missed Connections: A Network Approach to Understanding Psychiatric Illness,” by Alexander-Bloch *et al.* (*Biol Psychiatry* 2018; 84:e9–e11); [10.1016/j.biopsych.2018.05.018](https://doi.org/10.1016/j.biopsych.2018.05.018).

The authors noticed an error caused by imprecise language in the last sentence of the second paragraph.

Specifically, “More than 100 genes have now been shown to confer risk” should have been more accurately worded as “More than 100 genomic loci have now been shown to confer risk.” This correction has since been made to the online article.
