

RETRACTED: Symmetrical interactions in K⁺ channel

Yuval Ben-Abu

Department of Physics and Project Unit, Sapir Academic College, Sderot, Hof Ashkelon 79165, Israel

This article has been retracted: please see Elsevier Policy on Article Withdrawal (<https://www.elsevier.com/about/our-business/policies/article-withdrawal>).

This article has been retracted at the request of the author because of

significant problems with the data presented: some of the data are not reproducible and wrong mutations of the glycine residues are given which resulted in errors in the figures and data.
