### Retraction notice

## Retraction notice to “Symmetrical interactions in K<sup>+</sup> channel” [Biophys. Chem. 254 (2019) 106259]

Yuval Ben-Abu

*Department of Physics and Project Unit, Sapir Academic College, Sderot, Hof Ashkelon 79165, Israel*

This article has been retracted: please see Elsevier Policy on Article Withdrawal (<https://www.elsevier.com/about/our-business/policies/article-withdrawal>).

This article has been retracted at the request of the author because

of significant problems with the data presented: some of the data are not reproducible and wrong mutations of the glycine residues are given which resulted in errors in the figures and data.
