Bruxing, stress, and sleep connections	

We Need Your Photos!

If you have a photograph that you would like to see on the cover of Dental Abstracts, please send a digital image via e-mail to j.ryley@elsevier.com. If prints are submitted, please ensure they are 8 x 10 for optimal reproduction. Appropriate photographs should have a vertical orientation. Please submit your photographs to Dental Abstracts, Attn: Jane Ryley, Periodicals, Elsevier, 3251 Riverport Lane, Maryland Heights, MO 63043. Tel: 314-447-9226. When submitting your photographs, please be sure to include your telephone number and e-mail contact information.

Notes

To facilitate the use of Dental Abstracts as a reference tool, all illustrations and tables included in this publication are now identified as they appear in the original article. This change is meant to help the reader recognize that any illustration or table appearing in Dental Abstracts may be only one of many in the original article. For this reason, figure and table numbers will often appear to be out of sequence within Dental Abstracts.

Standard Abbreviations

The following terms are abbreviated: acquired immunodeficiency syndrome (AIDS), human immunodeficiency virus (HIV), and temporomandibular joint (TMJ).
