

Acknowledgement to Reviewers

We would like to sincerely thank each and every reviewer who dedicated his or her time and expertise to reviewing manuscripts for European Urology, the Platinum Journal, from September 1, 2018 to February 1, 2019. The collaboration with the reviewers is essential to the success of European Urology which is why each member of the Editorial Board at Large is identified according to their participation and support. Without their help, European Urology would not be as successful as it is today. We look forward to continuing this fruitful collaboration in the future.
