Professional Learning and
Development Conference

www.rcr.ac.uk/rcr19

 #RCR19conf

New date, same great meeting! 14-16 October 2019

RCR19 highlights:

- New, larger, fully integrated exhibition and informal learning area
- Three exciting plenary speakers
- Fantastic networking opportunities with over 800 participants expected to attend
- Dedicated workshop streams for trainees from both faculties

The three day radiology programme will include:

- Advances in technology and the impact on breast imaging
- Emergency paediatrics for the general radiologist
- MSK: tumours and infection

The three day oncology programme will include:

- Lung cancer
- Hepatic, biliary and pancreatic cancer
- Liver metastasis
- Radiotherapy outlining workshops

Bookings are now open
www.rcr.ac.uk/rcr19.

Earlybird booking available until 28 June 2019!

Keep up to date with the full programme:
www.rcr.ac.uk/rcr19

20% discount for all trainee members

All abstract competitions open on the 1 February 2019. Opportunities for ePosters and oral presentations for both clinical oncology and clinical radiology trainee and consultants.
