The authors would like to apologize that, due to their neglect, the affiliations of the second author of this paper, Huan Xia, were not correctly indicated. Huan Xia is a registered doctoral student at Lanzhou University in 2018 and is also supervised by Fahu Chen at the Institute of Tibetan Plateau Research, Chinese Academy of Sciences (CAS). Yet only one of these two affiliations

(i.e., the Institute of Tibetan Plateau Research, CAS) was indicated in the original paper. Here, corrections are made by adding Huan Xia's first affiliation, Lanzhou University, to her name. The authors would like to apologize for any inconvenience this might have caused. The corrected author list and affiliations are shown above.
