Language (Usage and Editing services)

Please write your text in good English
(American or British usage is accepted,
but not a mixture of these). Authors who
feel their English language manuscript
may require editing to eliminate possible
grammatical or spelling errors and to conform
to correct scientific English may wish to use the
English Language Editing service available from
Elsevier's WebShop <http://webshop.elsevier.com/languageediting/> or visit our customer
support site <http://support.elsevier.com> for
more information.

Illustration services

Elsevier's WebShop (<http://webshop.elsevier.com/illustrationservices>) offers Illustration
Services to authors preparing to submit
a manuscript but concerned about the
quality of the images accompanying their article.
Elsevier's expert illustrators can produce
scientific, technical and medical-style images,
as well as a full range of charts, tables and
graphs. Image 'polishing' is also available,
where our illustrators take your image(s) and
improve them to a professional standard.
Please visit the website to find out more.
