Poetry: Where I am Meant to Be

There's a place in this life
Where I am meant to be,
It's not helping my friend
It's not helping me!
As she sits on the bed
So sad and alone,
A thousand contacts
But no one to phone
It's now in this hour
That her last breath she'll take,
My shift has just finished
I'm not leaving, she won't wake!
Like a marriage vow I've taken
I'll be here til the end,
You weren't just my patient
But you were my friend!
The last time I sat with you
Please know that I cared,
It wasn't about the rules
It was compassion I bared
Now I'm taking this journey
Into a world of unknown
But now it's so clear,
That I won't be alone.
