

Please visit our companion journal, **JAAD Case Reports**, at www.jaadcasereports.org to read these exciting articles from the most recent issue.

A case of unilateral extremity swelling

Meghan Heberton, MD, Elizabeth Nieman, MD, and Heather Jones, MD

Hyperkeratotic plaques resembling an oyster shell

Dmitriy Timerman, MD, Nina K. Antonov, MD, Sameera Husain, MD, and Stephanie M. Gallitano, MD

An eruption of erythematous plaques in a patient receiving chemotherapy

Christian Scheufele, DO, Rachel L. Giesey, DO, Robert M. Rothbaum, MD, Harib Ezaldeen, MD, and Gregory R. Delost, DO

Linear white lesion in the oral mucosa

Caterina Ferreli, MD, Luca Giannetti, MD, Elisa Robustelli Test, MD, Laura Atzori, MD, and Franco Rongioletti, MD

Unilateral nipple hyperkeratosis

Nehal Shah, MS, Gregory R. Delost, DO, Timmie R. Sharma, MD, and Jeffrey F. Scott, MD

Alopecia areata in 2 patients treated with dupilumab: New onset and worsening

Janice Chung, BS, Christa L. Slaughter, MD, and Eric L. Simpson, MD, MCR

Skin-first nodulotumoral adult T-cell lymphoma mimicking cutaneous T-cell lymphoma

Leah Cohen, BA, Pei-Ling Chen, MD, PhD, Ling Zhang, MD, Lubomir Sokol, MD, PhD, and Lucia Seminario-Vidal, MD, PhD

Eosinophilic folliculitis in a patient with chronic myelomonocytic leukemia

Phalyka Oum, MD, MPH, Kerrie G. Satcher, MD, Diana Braswell, MD, Marjorie E. Montañez-Wiscovich, MD, PhD, and Kiran Motaparthy, MD

Lymphocyte-variant hypereosinophilic syndrome presenting as chronic dermatitis and responding to mycophenolic acid

Carol Dou, BSc, Luke Y. C. Chen, MD, FRCPC, and Jan P. Dutz, MD, FRCPC

Lymphoplasmacellular mucositis ameliorated by $\alpha 4\beta 7$ integrin inhibitor vedolizumab in a patient with ulcerative colitis

Doaa Shalabi, BA, Mansha Sethi, MD, Lauren Okon, MD, Gudrun F. Debes, DVM, Jason B. Lee, MD, and Neda Nikbakht, MD, PhD

JAAD Case Reports (continued)

Leukocytoclastic vasculitis with Koebner phenomenon associated with Ehlers Danlos syndrome

Ellen E.S. Haddock, MD, MBA, and Amanda F. Marsch, MD

Unequaled overgrowth inside and out—an exceptional example of hypertrichosis overlying plexiform neurofibroma

Brittany Patterson, BA, Christopher Barton, MD, and Arpita Lakhota, MD

Brachyonychia in a patient with Bardet-Biedl syndrome: Case report and review of this rare syndrome

Shannon Q. Detty, MD, Molly A. Hinshaw, MD, Michael J. Tuite, MD, and Alexander D. Means, MD

Widespread cutaneous nontuberculous mycobacterial infection in the absence of bacteremia mimicking leukemia cutis

Michael Musharbash, BA, Andrew Para, MD, and Jennifer Choi, MD

T-cell prolymphocytic leukemia presenting with erythematous patches, plaques, and erythema gyratum—like lesions masquerading as Sézary syndrome

Leah Cohen, BA, Adel Haque, MD, Sophia Ma, MD, Ling Zhang, MD, Lubomir Sokol, MD, PhD, and Lucia Seminario-Vidal, MD, PhD

Twenty-year cervicothoracic *Nocardia* mycetoma with advanced thoracic cavity infiltration

Kelsey J. Eaton, BS, Matthew T. Gulbrandsen, BS, Robert A. Obeid, MD, Pir Shehzad, MD, and Shannon E. Skinner, MD

Proton pump inhibitor—induced erythema dyschromicum perstans—like pigmentation

Daniel Gutierrez, MD, Loren D. Krueger, MD, Andrea Tan, BS, Joyce H. Park, MD, George Lipkin, MD, and Shane A. Meehan, MD

Sclerotherapy-induced purpura annularis telangiectodes of Majocchi—like eruption

Robert T. Spaulding, MD, and Janine C. Malone, MD

Leclercia adecarboxylata folliculitis in a healthy swimmer—An emerging aquatic pathogen?

Alexa Broderick, BS, Erin Lowe, DO, Anny Xiao, DO, Risa Ross, DO, and Richard Miller, DO

JAAD Case Reports (continued)

Dermatitis herpetiformis resistant to dapsone due to dietary iodide ingestion

Amber Jimenez, BS, Christopher Hull, MD, and John Zone, MD

A case of late-onset neutropenia secondary to rituximab in a patient with mucous membrane pemphigoid

Brittney Schultz, MD, and Donna Culton, MD, PhD

Multicentric reticulohistiocytosis in a patient with thymic carcinoma

Samantha Shwe, BS, Aditi Sharma, MD, Ashley N. Elsensohn, MD, MPH, Linda Doan, MD, PhD, and Janellen Smith, MD

Verrucous psoriasis: A rare variant of psoriasis masquerading as verrucous carcinoma

Kristen Garvie, BS, Meagan McGinley Simpson, MD, Nicholas Logemann, DO, and Jeffrey Lackey, MD

Histopathologic features of Rothmund-Thomson syndrome

Ji Won Ahn, MD, Megan Inkeles, MD, PhD, Alexandra Hristov, MD, and Milad Eshaq, MD

Pityriasis rubra pilaris–like eruption in the setting of transient acantholytic dermatosis

Zoe O. Brown-Joel, BS, Jina Chung, MD, and Mary S. Stone, MD

Severe cutaneous necrosis associated with type I cryoglobulinemia

Anne Murphy, MD, Adam Kilian, MD, Lori Lowe, MD, and Wendy Marder, MD, MS

White papules in lower right eyelid as a manifestation of mucoepidermoid carcinoma

Jorge Magdaleno-Tapia, MD, Cristian Valenzuela-Oñate, MD, Alicia Gracia-García, PhD, Álvaro Martínez-Doménech, MD, Marta García-Legaz-Martínez, MD, José Luis Sánchez-Carazo, PhD, Víctor Alegre-de Miquel, PhD, and Amparo Pérez-Ferriols, PhD

Skin-limited idiopathic hypereosinophilic syndrome presenting with retiform purpura

Zizi Yu, BA, Edward Christopher Dee, BS, Tyler Menge, MD, Ashley Ward, MD, and Philip Song, MD

An unusual series of patients with Kaposi sarcoma

Jiasen Wang, BA, Holly Reid, MD, Natasha Klimas, MD, and Misha Koshelev, MD, PhD

JAAD Case Reports *(continued)*

Association of hidradenitis suppurativa and keloid formation: A therapeutic challenge

Abdulahadi Jfri, MD, Elizabeth O'Brien, MD, FRCPC, Afsaneh Alavi, MD, MSc, FRCPC, and Stephanie R. Goldberg, MD, FACS

New-onset autoantibody-mediated nephritis during ustekinumab therapy for psoriasis in patients with and without prior systemic lupus erythematosus

Ayida Al Khalili, MD, FRCPC, Leah Scott, MD, FRCPC, and Jan P. Dutz, MD, FRCPC

Abdominal pseudohernia caused by herpes zoster: 3 case reports and a review of the literature

Jisook Yoo, MD, Taehan Koo, MD, Eunjung Park, MD, Mingyul Jo, MD, Min-Soo Kim, MD, and Mihn-Sook Jue, MD, PhD

Response to “Severe scurvy in an adult male without clear risk factors for nutritional deficiency”

Jason Mathis, MD
