PHYSICIAN SERVICES

Emergency Medicine & Toxicology Faculty

Rutgers Robert Wood Johnson Medical School

The Department of Emergency Medicine at Rutgers Robert Wood Johnson Medical School, one of the nation's leading comprehensive medical schools, is currently recruiting Emergency Physicians and Medical Toxicologists to join our growing academic faculty.

Robert Wood Johnson Medical School and its principal teaching affiliate, Robert Wood Johnson University Hospital, comprise New Jersey's premier academic medical center. A 580-bed, Level 1 Trauma Center and New Jersey's only Level 2 Pediatric Trauma Center, Robert Wood Johnson University Hospital has an annual ED census of greater than 90,000 visits.

The department has a well-established, three-year residency program and an Emergency Ultrasound fellowship. The department is seeking physicians who can contribute to our clinical, education and research missions.

Qualified candidates must be ABEM/ABOEM certified/eligible. Salary and benefits are competitive and commensurate with experience. Sub specialty training is desired but not necessary.

For consideration, please send a letter of intent and a curriculum vitae to:

**Robert Eisenstein, MD, Chair, Department of Emergency Medicine
Rutgers Robert Wood Johnson Medical School**

1 Robert Wood Johnson Place, MEB 104, New Brunswick, NJ 08901

Email: Robert.Eisenstein@rutgers.edu • Phone: 732-235-8717 • Fax: 732 235-7379

BROOKDALE

UNIVERSITY HOSPITAL MEDICAL CENTER

The Leader of Healthcare in East Brooklyn

Brookdale is an ACS level 2 and NYS level 1 Trauma Center, a Comprehensive Stroke Center, and a PCI Center located in Brooklyn, NY. The Emergency Department cares for approximately 100,000 visits annually. In addition to the adult and trauma care areas there is a Fast Track area staffed primarily by PAs and NPs and a Pediatric ED staffed by both EM and pediatric EM physicians. We are seeking ABEM/AOBEM BC/BE physicians to join our team as clinical faculty.

EM & PEDIATRIC EM CLINICAL FACULTY

- Provide bedside teaching and supervision of EM residents and medical students from NY Medical College, NYIT College of Osteopathic Medicine, and Ross University
- Fulfill all department and institutional compliance, administrative and regulatory expectations
- Maintain timely and appropriate documentation and medical records
- Very competitive compensation commensurate with experience
- Outstanding benefits including paid vacation, CME, holiday, health, and malpractice
- Must hold or be eligible for active New York State medical licensure

IN ADDITION, WE ARE SEEKING AN ULTRASOUND AND SIMULATION EDUCATION DIRECTOR.

EM ULTRASOUND DIRECTOR

- Implement a vision for the overall EM US educational, clinical, financial, and academic programmatic goals
- Accountable for the on-going CQI process for EM US scanning
- Monitor and ensure effective documentation for coding and billing of professional charges for EM US interpretation
- Oversight for the credentialing of EM attendings, residents, and PA/NP providers
- Core faculty position in our EM 1-3 residency that will graduate its inaugural class June, 2019

EM SIMULATION EDUCATION DIRECTOR

- Implement an overarching vision for the educational and research goals for EM simulation education for the Department of EM
- Fellowship training in simulation education or medical education highly desirable
- Core faculty position in our EM 1-3 residency that will graduate its inaugural class June, 2019

The patient experience is as important to us as technical, procedural, and cognitive skills. Being a flexible team player with excellent communication skills and being open to learning from nurses, ED personnel, our entire health care team, as well as residents, medical students, and patients is an absolute must. We are an EM practice setting which requires both community hospital and teaching hospital skill sets. You have to be ambidextrous here. You will grow professionally and personally here. This is our commitment to you.

All positions are entitled to a competitive salary structure commensurate with qualifications, CME allowance, and a comprehensive benefit package. To inquire, send your curriculum vitae and cover letter (indicating position of interest) to:

**Sandra R. Scott, MD Chair, Department of Emergency Medicine at Brookdale Hospital and Medical Center,
Aaron Pavilion, Room 101, 1 Brookdale Plaza, Brooklyn NY 11212
sscott@bhmcny.org**

Brookdale University Hospital is an EEO/AA Employer. Minorities and women are encouraged to apply. A background check will be conducted prior to employment.

EMERGENCY MEDICINE FACULTY

- ❖ Clinician-Educator ❖ Clinical-Researcher
- ❖ Critical Care Medicine ❖ Pediatric Emergency Medicine ❖ Ultrasound

**ECU****Brody School of Medicine**

The Department of Emergency Medicine at East Carolina University Brody School of Medicine seeks BC/BP emergency physicians and pediatric emergency physicians for tenure or clinical track positions at the rank of assistant professor or above, depending on qualifications. We continue to expand our faculty to meet the clinical needs of our patients and the educational needs of our learners. We envision further program development in clinical education, emergency ultrasound, EM-critical care, pediatric EM, and clinical research. Our current faculty possesses diverse interests and expertise leading to extensive state and national-level involvement. The emergency medicine residency includes 12 EM and 2 EM/IM residents per year. We treat more than 130,000 patients per year in a state-of-the-art ED at Vidant Medical Center. VMC is a 960+ bed level 1 trauma center and regional referral center for cardiac, stroke, and pediatric care. Our tertiary care catchment area includes more than 1.5 million people in eastern North Carolina. Additionally, we provide clinical coverage at two community hospitals within our health system. We are responsible for medical direction of East Care, our integrated mobile critical care and air medical service, and multiple county EMS systems. Our exceptional children's ED opened in July 2012 and serves approximately 25,000 children per year. Greenville, NC is a university community offering a pleasant lifestyle and excellent cultural and recreational opportunities. Beautiful North Carolina beaches are nearby. Compensation is competitive and commensurate with qualifications; excellent fringe benefits are provided. Successful applicants will be board certified or prepared in Emergency Medicine or Pediatric Emergency Medicine. They will possess outstanding clinical and teaching skills and qualify for appropriate privileges from ECU Physicians and VMC.

Confidential inquiry may be made to:
Theodore Delbridge, MD, MPH
Chair, Department of Emergency Medicine
delbridget@ecu.edu

ECU is an EEO/AA employer and accommodates individuals with disabilities. Applicants must comply with the Immigration Reform and Control Act. Proper documentation of identity and employability required at the time of employment. Current references must be provided upon request.
