MANUSCRIPT SUBMISSION GUIDELINES

Authors must adhere to JPD guidelines, which are available online at www.prosdent.org (JPD Guidelines are also available in Spanish, Turkish, and Portuguese.) If there are additional questions or comments, contact the JPD Editorial Office. Please read instructions carefully. Failure to follow guidelines may result in the manuscript being rejected or the review process delayed.

Online Submission

The intuitive online submission system allows authors to submit manuscripts quicker with more functionality during the review process. Go to: ees.elsevier.com/jpd for everything authors will need for submissions, including easy registration, tutorials, customer support, and resources at your fingertips 24/7.

AUDIOSLIDES

The JPD offers a free service to authors to create AudioSlides of their articles. AudioSlides are 5-minute webcast-style presentations, giving authors the opportunity to present their research in their own words, helping readers to quickly understand what a paper is about and appreciate its relevance. Learn about this free service at <https://www.elsevier.com/books-and-journals/content-innovation/audioslides>.
