Annals of Emergency Medicine

An International Journal

Resident Editorial Board Fellowship Appointment

Description

The Resident Fellow appointment to the Editorial Board of **Annals of Emergency Medicine** is designed to introduce the Fellow to the peer review, editing, and publishing of medical research manuscripts. Its purpose is not only to give the Fellow experience that will enhance his/her career in academic emergency medicine and in scientific publication, but to develop skills that could lead to later participation as a peer reviewer or editor at a scientific journal. It also provides a strong resident voice at **Annals** to reflect the concerns of the next generation of emergency physicians.

Application Deadline: July 15, 2019

The American College of Emergency Physicians' 2019 Research Forum is ACEP's premier research event, running concurrently with and in the same location as ACEP19.

The *Research Forum* provides research Directors, residency programs, as well as physicians in non-academic settings an opportunity to discuss original research.

At the *Research Forum* you can:

- Present and discuss original research at a national gathering of researchers, teachers, and practitioners of emergency medicine
- Meet, confer, and network in a highly supportive environment

The program format is designed to:

- Provide valuable feedback to all presenters through a presentation/discussion format
- Mentor young researchers by providing a supportive learning environment
- Provide all emergency physicians the latest advances on a wide variety of topics

Conference Highlights:

- Oral presentations followed by a discussion led by a recognized researcher
- All abstracts will be presented electronically grouped by topic and critiqued by a recognized discussant
- Prime Time Practice Changes: Highlights of the 2019 Research Forum featuring a panel of experts discussing abstracts that have significant implications for emergency medicine practice or research

The *Research Forum* will run concurrently with ACEP19. The benefits of this include:

- Free admission to *Research Forum* when you sign up for four days of ACEP19
- Taking one trip to attend both meetings
- Greater exposure to presenters' research
- Access to favorable hotel rates negotiated for ACEP19
- Admission to the ACEP19 Exhibit Hall

The cost for *Research Forum* presenters is \$355; \$200 for one-day presenters.

If you register for all four days of ACEP's *Scientific Assembly* (October 27-30), there is no fee to attend *Research Forum* on October 27-29.

For more information or to register: acep.org/sa or call 800-798-1822 ext. 6 or 972-550-0911.

Become an Accredited Geriatric Emergency Department Today

Geriatric EDs promote best clinical practices for older adults and have the potential to improve health outcomes, coordinate care more effectively, and reduce cost of care.

**Learn more about accreditation at
ACEP.org/GEDA**

Apply for ACEP's geriatric ED accreditation program and validate your hospital's commitment to:

- Providing a more positive and sensitive physical environment
- Adopting standardized approaches to geriatric care
- Ensuring optimal transitions of care from the ED to other settings such as inpatient, home, community-based care, rehabilitation or long-term care
- Supporting geriatric-focused quality improvement
