## Vice Chair of Research

### Rutgers, Robert Wood Johnson Medical School Department of Emergency Medicine

Rutgers is New Jersey's premiere public research university. With a \$1 billion commitment to invest in, support and drive groundbreaking, advanced research, the recent Rutgers and RWJ Barnabas Health integrated academic health system aims to further the university's reputation as a leader in academic health care and biomedical research.

Rutgers currently is ranked among the nation's top 20 public universities for research and development expenditures. Rutgers Robert Wood Johnson Medical School is first in the state for research and has steadily attracted increased NIH funding and grants in excess of \$1 million, as well as substantially expanded its clinical trials with the launch of a new, world-class adult clinical research center.

The Department of Emergency Medicine is seeking a Vice Chair of Research at the Associate Professor or Professor level, preferably tenure track. The Department's goal is to grow its research and scholarly output while building a nationally recognized research program. The Vice Chair will provide leadership and oversight of the research mission for the Department. Successful candidates will have a demonstrated track record of independently funded research, publication in high-impact, peer-reviewed journals, strong mentorship skills and clear evidence of promoting the academic careers of junior faculty. The Vice Chair must demonstrate expertise in leading research in EM and possess the interpersonal skills to engage, inspire and work across disciplines within a large, diverse organization.

## **Assistant/Associate Professor Pediatric Emergency Physician**

The Division of Emergency Medicine at The Larner College of Medicine at The University of Vermont has an exceptional opportunity for a board certified Emergency Physician or Pediatrician with fellowship training in Pediatric Emergency Medicine desiring to pursue a career in academic emergency medicine. This appointment will be at the Assistant Professor or Associate Professor level in the Clinical Scholar Pathway, commensurate with years of experience and accomplishments. The University of Vermont Medical Center is the teaching hospital of The Larner College of Medicine at The University of Vermont and is an ACS verified Level I Trauma Center for both adult and pediatric patients, and a major tertiary referral center for the state of Vermont and upstate New York. With an annual total census in excess of 62,000 patients, the emergency department is known for high quality patient care and dedicated teaching faculty. Our pediatric volume is approximately 10,000 patients per year with a relatively high acuity and admission rate due to our excellent regional pediatric primary care services.

Applicants must be board certified or board eligible in Emergency Medicine or Pediatrics and Pediatric Emergency Medicine, eligible for licensure in the State of Vermont and eligible to work in the United States with experience in teaching, clinical, and research activities of an academic division of emergency medicine. This is a full-time, 12 month, salaried position with attending staff privileges at The University of Vermont Medical Center.

Located in Burlington, the University of Vermont and the University of Vermont Medical Center serve as Vermont's only academic medical center. It is the only ACS verified Level 1 trauma center in the state and provides tertiary care to patients from Vermont and Northern NY. Burlington is a vibrant community located on the shores of Lake Champlain, between the Adirondack and Green Mountains. With year-round recreational opportunities, safe communities and excellent schools, this progressive community has been frequently cited as one of the most livable cities in the U.S.

*The University is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their research, teaching, and/or service. Applicants are requested to include in their cover letter information about how they will further this goal.*

*The University of Vermont is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status, or any other category legally protected by federal or state law. The University encourages applications from all individuals who will contribute to the diversity and excellence of the institution.*

Interested individuals should apply online at <https://www.uvmjobs.com/postings/35584> (position number 00024993). Inquiries may be sent to Dr. Ramsey Herrington, Division Chief c/o Kristin Allard at [Kristin.Allard@uvmhealth.org](mailto:Kristin.Allard@uvmhealth.org).
