

Acknowledgement to Reviewers 2018

© Springer-Verlag GmbH Germany, part of Springer Nature 2018

The editorial leadership of *Clinical Autonomic Research* is aware of the importance of high-quality peer review and its role in enhancing the quality of the articles published in this journal. For this reason we would like to thank the 159 experts who took the time and effort to review for the journal in 2018. We greatly appreciate their contribution to the enduring success of the journal. Thank you.

* Designates reviewers who reviewed 4 or more manuscripts.
