Correction to: *Curr Treat Options Neurol* (2019) 21:41
<https://doi.org/10.1007/s11940-019-0582-1>

Shortly after publication, the authors became aware of several typographical errors in Table 1 which were introduced during the copy-editing process. Specifically, an erroneous value was listed under the 'Age' column for the fifth reference in the table, whereas it should have remained blank, and another row was omitted. The correct table is shown below.

The original article has been corrected.
