In the original publication, in a title of Table 2, the sentence that reads as, “Growth rate of cancer, cancer without CVD and cancer with CVD between 2015–2010” should read as, “Growth rate of cancer, cancer without CVD and cancer with CVD between 2015–2019”.

The original article can be found online at <https://doi.org/10.1007/s10147-019-01426-w>.
