## Corrigendum

### Corrigendum to “Phthalate metabolites and bisphenol-A in association with circulating angiogenic biomarkers across pregnancy” [Placenta 36 (2015) 699–703]

K.K. Ferguson<sup>a</sup>, T.F. McElrath<sup>b</sup>, D.E. Cantonwine<sup>b</sup>, B. Mukherjee<sup>c</sup>, J.D. Meeker<sup>a,\*</sup>

The authors regret an error that resulted in the reverse-coding of fetal sex. In Table 1 we present the n(%) of the population that is carrying a male vs. a female fetus, as well as the concentrations of

plasma angiogenic biomarkers by fetal sex. The labeling of these rows is reversed.

The authors would like to apologise for any inconvenience caused.
