## APIC/SHEA Joint Leadership Development Course

### December 7–9, 2019 | Arlington, VA

Developed in partnership with the Society for Healthcare Epidemiology of America (SHEA), the Joint Leadership Development Course provides an opportunity for IPs and healthcare epidemiologists from facilities of all types to partner with each other and/or their administrators (including quality directors, chiefs of nursing or medicine, patient safety directors, etc.).

Through interactive learning, attendees will spend three days focusing on the key concepts of leadership, decision-making, teambuilding, culture management, and influence. **Experience the invaluable learning that comes from intensive paired learning environments.**

Three days of intensive professional development provides you with the skills you need to tackle the leadership challenges you face in your facility now and in the future. Each day's program covers different course objectives and is led by an expert in the healthcare leadership space:

#### Day 1 | December 7 | 2:00 p.m. – 9:00 p.m.

Leadership Development within a Culture of Trust  
Mamta Gautam, MD, MBA, FRCP, CPDC, CCPE  
CNEs: 7

#### DAY 2 | December 8 | 8:30 a.m. – 5:00 p.m.

Building and Leading Effective Teams

William “Marty” Martin, MA, MS, MPH, PsyD, CHES  
CNEs: 7

#### DAY 3 | December 9 | 8:00 a.m. – 4:00 p.m.

Not Solely a Clinician Anymore  
Kevin O'Connor, CSP  
CNEs: 7

Find the full program online at [apic.org/JLC](http://apic.org/JLC).

By joining this exclusive event, you'll get proven leadership learning from the American Association for Physician Leadership that maximizes best practices from APIC and SHEA. Your fee also includes the AAPL CPI 260, a comprehensive personality assessment tool for leaders and executives. Normally priced at \$175, we are providing this key component of the learning curriculum free to all participants.

Gain leadership competencies essential to advanced level professional development and career advancement and collaborate with peers and colleagues to grow your network and your influence.

Register online at [apic.org/JLC](http://apic.org/JLC) by Nov. 14 to save \$150 off your registration fee!

*Please note: While the curriculum has been optimized for the paired learning experience for IPs and physicians, you can still register as a solo participant without losing any of the educational or experiential value. You will still get the same exceptional learning and leadership skills that your career needs to advance.*
