

Corrigendum to “A prospective 5-year study of exercise performance following melody valve implant”, *American Heart Journal*. 2018 Dec 29; 209:47–53

B. Priomprintr,^{a,b} M.J. Silka,^a J Rhodes,^c Anjan S. Batra, MD, MBA^{d,*}

The authors regret that an error was noted in the publication in the legend for figure 2.

It should read “There was a statistically significant improvement in exercise capacity for younger patients which occurred primarily in the 3- to 5-year range.”

The authors would like to apologize for any inconvenience caused.
