The authors apologise for not removing any results that refer to using the Morisky Medication Adherence Scale (MMAS-8). Below are corrections to the relevant parts of the article. The authors would like to apologise for any inconvenience caused.

**Page 52 (Abstract):**

The sentence: Adherence to Tamoxifen (Tam) or Aromatase Inhibitors (AI) was examined using the self-reported Morisky Medication Adherence Scale (MMAS-8), and data from the Norwegian Prescription Database (NorPD) is wrong.

**The correct sentence is;** Adherence to Tamoxifen (Tam) or Aromatase Inhibitors (AI) was examined using self-reported adherence and data from the Norwegian Prescription Database (NorPD).

**Page 53:** (Abbreviations and the Material and Methods):

None about MMAS-8 should have been in the article.

**Page 54:** (Data collection and assessment of adherence):

The sentence: MMAS-8 and information from the Norwegian Prescription Database (NorPD), between January 2012 and October 2016, estimated adherence to ET is wrong.

**The correct sentence is;** Self-reported adherence and information from the Norwegian Prescription Database (NorPD), between January 2012 and October 2016, estimated adherence to ET.
