

Corrigendum

“Corrigendum to long-term outcome in extracranial-intracranial bypass surgery for severe steno-occlusive disease of intracranial internal carotid or middle cerebral artery” [Clin. Neurol. Neurosurg. 169 (June) (2018), 149–153]

Kok Ann Colin Teo^{a,*}, Tseng Tsai Yeo^a, Vijay K. Sharma^{b,c}

^a Division of Neurosurgery, Department of Surgery, National University Health System, Singapore

^b Division of Neurology, Department of Medicine, National University Health System, Singapore

^c Yong Loo Lin School of Medicine, National University of Singapore, Singapore

The authors regret that an author of the study was inadvertently omitted during the submission process. Ning Chou, Division of Neurosurgery, Department of Surgery, National University Health System, contributed equally to the other authors in this published work, and should rightfully be listed as the second author. There is no change to any conflicts of interest arising from the addition of this author. The authorship should hence read:

“Kok Ann Colin Teo¹, Ning Chou¹, Tseng Tsai Yeo¹, Vijay K

Sharma^{2,3}

¹Division of Neurosurgery, Department of Surgery, National University Health System

²Division of Neurology, Department of Medicine, National University Health System

³Yong Loo Lin School of Medicine, National University of Singapore, Singapore”

The authors would like to apologise for any inconvenience caused.
