### Corrigendum to “Methocarbamol use is associated with decreased hospital length of stay in trauma patients with closed rib fractures” [Am J Surg 214/4 (2018) 738–742]

Asad E. Patanwala <sup>a,\*</sup>, Ohoud Aljuhani <sup>a</sup>, Brian J. Kopp <sup>b</sup>, Brian L. Erstad <sup>a</sup>

<sup>a</sup> Department of Pharmacy Practice & Science, College of Pharmacy, The University of Arizona, Tucson, AZ, USA

<sup>b</sup> Department of Pharmacy Services, Banner University Medical Center, Tucson, AZ, USA

The authors had earlier missed to include an additional affiliation to Dr. Ohoud Aljuhani. This has now been updated to read as:

**Ohoud Aljuhani**

a Department of Pharmacy Practice & Science, College of Pharmacy, The University of Arizona, Tucson, AZ, USA.

c Faculty of Pharmacy, Department of Pharmacy Practice, King Abdul-Aziz University, Jeddah, Saudi Arabia.
