The authors would like to notify the readers of an error in the initially published version of this article. In the Methods section, in the description of the participants, the first sentence reading “Data from the Quebec Longitudinal Study of Child Development was used for the study” should be corrected to “Data from the Quebec Longitudinal Study of Child Development (coordinated by the *Institut de la Statistique du Québec*) was used for the study”.

Moreover, besides acknowledging the funding specific to this secondary analysis, the authors would like to acknowledge the sponsors funding the larger public data set. The Quebec Longitudinal Study of Child Development was made possible thanks to the funding provided

by the *Fondation Lucie et André Chagnon*, the *Institut de la Statistique du Québec*, the *Ministère de l'Éducation et de l'Enseignement supérieur* (MEES), the *Ministère de la Famille* (MF), the *Institut de recherche Robert-Sauvé en santé et en sécurité du travail* (IRSST), the *Centre hospitalier universitaire Sainte-Justine*, and the *Ministère de la Santé et des Services sociaux du Québec* (MSSS). Source: Data compiled from the final master file ‘E1-E20’ from the Quebec Longitudinal Study of Child Development (1998–2017), ©Gouvernement du Québec, *Institut de la statistique du Québec*. The authors apologize for any inconvenience that this omission may have caused.
