Corrigendum

Corrigendum to “Smart food policy for healthy food labeling: Leading with taste, not healthiness, to shift consumption and enjoyment of healthy foods” [Prev. Med. 119 (2019) 7–13]

Bradley P. Turnwald*, Alia J. Crum

Department of Psychology, Stanford University, 450 Serra Mall, Stanford, CA 94305, USA

The authors amend the acknowledgements section to read as follows:

We wish to acknowledge D. Boles and M. Perry for assistance with data collection, K. Brownell and C. Dweck for comments on versions of this manuscript, and J. Bertoldo, E. Holland-Toll, A. Mayne, W. Krupp, J. Flores, F. Krishna, M. Gratz, E. Montell, S. Everett and the Stanford University Residential & Dining Enterprises team for assisting with

study implementation. This material is based upon work supported by the Robert Wood Johnson Foundation and the National Science Foundation Graduate Research Fellowship Program (grant No. DGE-114747). The funders had no role in the design and conduct of the study; collection, analysis and interpretation of data; the writing of the report; and decision to submit the paper for publication.

The authors would like to apologise for any inconvenience caused.
