In the original published version of the article, author Nkanyiso Hadebe's affiliation was only provided as the Hatter Institute for Cardiovascular Research in Africa (HICRA), Department of Medicine, University of Cape Town, Cape Town, South Africa. However the second affiliation for this author was missing: the author is also affiliated with the Department of Anaesthesia, University of Cape Town, Cape Town, South Africa. The authors apologize for this mistake. Both the HTML and PDF versions of the article have been updated to correct the error.
