

# CORRIGENDUM

In the article titled “Intrapulmonary vein ‘echo’ beats” by Sok-Sithikun Bun, Decebal Gabriel Latcu, Ahmed Mostfa Wedn, and Nadir Saoudi that published in the October 2018 issue of Heart Rhythm Case Reports (2018;4:464-465), the authors regret there was a missing affiliation for Ahmed Mostfa Wedn. Dr Mostafa Wedn is

affiliated with the Department of Cardiology, Princess Grace Hospital, Monaco, and the Department of Critical Care, Cairo University, Giza, Egypt. The omission is regretted.

The authors would like to apologise for any inconvenience caused.
