## INFORMATION FOR CATEGORY 1 CME CREDIT

### Opioid Prescriptions for Acute and Chronic Pain Management Among Medicaid Beneficiaries

Chandrashekar Janakiram, MDS, PhD, Paul Fontelo, MD, MPH, Vojtech Huser, MD, PhD, Natalia I. Chalmers, DDS, MHSc, PhD, Gabriela Lopez Mitnik, MPhil, Avery R. Brow, MA, Timothy J. Iafolla, DMD, MPH, Bruce A. Dye, DDS, MPH

(see page 365)

This article has been chosen to participate in the AJPM CME program. Please read and follow the instructions below:

#### Educational objectives

After reading this article, the learner should be able to:

1. Recognize population differences based on age, gender, and race/ethnicity for filling an opioid prescription for acute and chronic pain conditions.
2. Describe the differences in opioid prescribing patterns by various healthcare providers for acute and chronic pain conditions.

#### Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Preventive Medicine and the American College of Lifestyle Medicine. The American College of Preventive Medicine is accredited by the ACCME to provide continuing medical education for physicians.

#### Credit Designation

ACPM designates this enduring material for a maximum of 1 *AMA PRA Category 1*<sup>TM</sup> Credit per exam. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACPM is not accredited to offer credit to non-physicians. To determine if activities designated for *AMA PRA Category 1*<sup>TM</sup> Credit are acceptable for your licensing or certification needs, please contact your credentialing body directly.

#### Disclosures

In accordance with the disclosure policy of the American College of Preventive Medicine (ACPM) and the American

Journal of Preventive Medicine (AJPM), as well as the standards set forth by the Accreditation Council of Continuing Medical Education (ACCME), authors and any individuals in a position to control the content of a CME activity are required to disclose relevant financial relationships in any amount with commercial interests (within the past 12 months).

The authors, Chandrashekar Janakiram, Paul Fontelo, Vojtech Huser, Natalia I. Chalmers, Gabriela Lopez Mitnik, Avery R. Brow, Timothy J. Iafolla, and Bruce A. Dye, have disclosed that no relevant financial relationships exist.

#### Term of approval

September 2, 2019–September 2, 2022

Estimated time to complete this activity is 1 hour.

#### Instructions to receive CME credit

Once you have read the CME article, please visit [www.ajpmonline.org/cme](http://www.ajpmonline.org/cme) to complete the CME exam (with a score of at least 70%) and the CME evaluation survey. You will be able to download your CME certificate and will also receive an email with a link to your certificate.

#### Privacy policy

ACPM collects personal information from participants in this online activity for purposes of assigning CME credit only. We will not share or sell your contact information, and your answers to quizzes and feedback forms will be kept confidential.
