This article has been retracted: please see Elsevier Policy on Article Withdrawal (<http://www.elsevier.com/locate/withdrawalpolicy>).

Upon completion of an institutional investigation, the University of Gothenburg informed the Editors that misconduct in research occurred by Professor Suchitra Sumitran-Holgersson. Based on this information and in accordance with the Committee on Publication Ethics' Retraction Guidelines, the Editor has retracted this article.

The Editor of the Journal of Vascular Surgery: Venous and Lymphatic Disorders is a member of the Committee on Publication Ethics (COPE). Failure to comply with ethical research and submission policies is not tolerated by our Editorial Office. We apologize to the readers for any inconvenience caused by the removal of this article from the literature.
