Announcements

Dear Colleagues,

As the Education and Training Officer of the European Association for Cranio-Maxillofacial Surgery, I would like to draw your attention to the forthcoming educational activities. Courses included in the Rolling Programme of the Association are linked to the EBOMS examination curriculum and cover all aspects related to our specialty and are open to all colleagues working in our field. Trainees are especially invited to attend these Courses. A refund of

Euro 300 is available for each EACMFS Trainee Member attending a Course of this Programme.

EACMFS Sponsored Courses are considered to be of high scientific interest by our Association. I would like to invite all colleagues who are considering to organize a new course to please contact us. We will then try to include them among the courses sponsored by the Association.

Prof. Manlio Galie
Education and Training Officer
