JNC AWARDS: IN RECOGNITION OF FRANS WACKERS, RAYMOND GIBBONS AND WILLIAM STRAUSS

In recognition of their contributions, the editors of the Journal (with the blessings of the President of ASNC and its executive committee) decided unanimously to recognize Frans Wackers, Raymond Gibbons and William Strauss through the names given to the awards presented annually by the Journal.

1. Raymond Gibbons Best Basic Research Paper Award
2. Frans Wackers Best Clinical Paper Award
3. William Strauss Best Technical Paper Award

The naming of the above awards follows our acknowledgement of the contributions of Ken Brown, having previously named the annual Award for best editorial the 'Ken Brown Best Editorial Award', and our previous Editors, Barry L. Zaret and George A. Beller for the Zaret-Beller Best Reviewer Award.

Congratulations and thanks,
