For my personal reasons, a necessary correction to the accepted manuscript entitled “Homocysteine: A modifiable culprit of cognitive impairment for us to conquer?”, which was published online on July 15, 2019 in the Journal of the Neurological Sciences should be made as follows:

For my information as the corresponding author of this article, I would add “Graduate School, Hebei Medical University, Shijiazhuang 050017, China” as my first affiliation before “Department of Neurology, Hebei General Hospital, Shijiazhuang 050051, China”.

So the right “author information” version should be: “Yifan Ji<sup>1</sup>, Peiyuan Lyu<sup>2</sup>, Wei Jin<sup>3</sup>, Xiangyu Li<sup>1</sup>, Xiaosha Li<sup>1</sup>, Yanhong Dong<sup>3</sup>. 1 Graduate School, Hebei Medical University, Shijiazhuang 050017, China; Department of Neurology, Hebei General Hospital, Shijiazhuang 050051, China. 2 Graduate School, Hebei Medical University,

Shijiazhuang 050017, China; Department of Neurology, Hebei General Hospital, Shijiazhuang 050051, China. Electronic address: [peiyuanlu17@163.com](mailto:peiyuanlu17@163.com). 3 Department of Neurology, Hebei General Hospital, Shijiazhuang 050051, China”. And correspondingly, the first page of the article should list as: Yifan Ji<sup>a,b</sup>, Peiyuan Lyu<sup>a,b,\*</sup>, Wei Jin<sup>b</sup>, Xiangyu Li<sup>a,b</sup>, Xiaosha Li<sup>a,b</sup>, Yanhong Dong<sup>b</sup>. a Graduate School: Hebei Medical University, Shijiazhuang 050017, China. b Department of Neurology, Hebei General Hospital, Shijiazhuang 050051, China. \* Corresponding author.
