## Correction to: Lasers in Medical Science

<https://doi.org/10.1007/s10103-019-02767-8>

The published online version contains a mistake in equation 2c. The correct equation is shown below:

$$k\partial T/\partial x = h(T-T_{\infty}) \quad \text{at } x = 0, L$$

The original article has been corrected.
