Current prices are in effect for back volumes and back issues. Further information on this journal is available from this journal's website ([www.nurseleader.com](http://www.nurseleader.com)). Information on other Elsevier products is available through Elsevier's website (<http://www.elsevier.com>).

**Advertising information.** Advertising orders and inquiries can be sent to: **USA, Canada, and South America**, Leslie Ringe, Be Media Partners LLC, 1328 Meridian Blvd., Warrington, PA 18976; phone (215) 343-7363; fax (215) 249-4741; e-mail: [leringe@verizon.net](mailto:leringe@verizon.net). **Europe and the rest of the world**, Julie Toop; phone +44 (0) 1865 843016; fax +44 (0) 1865 843976; e-mail [media@elsevier.com](mailto:media@elsevier.com).

**Author inquiries.** For inquiries relating to the submission of articles (including electronic submission where available), please visit [www.elsevier.com/authors](http://www.elsevier.com/authors). This site also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions, and more. Please see Information for Authors for individual journal. Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication.

© The paper used in this publication meets the requirements of ANSI/NISO Z39.48-1992 (Permanence of Paper).

**Reprints.** For queries about author offprints, e-mail [authorsupport@elsevier.com](mailto:authorsupport@elsevier.com). To order 100 or more reprints for educational, commercial, or promotional use, contact Derrick Imasa at (212) 633-3874, Elsevier Inc., 230 Park Avenue, Suite 800, New York, NY 10169-0901, USA. Fax: (212) 633-3820; email: [reprints@elsevier.com](mailto:reprints@elsevier.com).

Reprints of single articles available online may be obtained by purchasing Pay-Per-View access for \$12 per article on the journal website, [www.nurseleader.com](http://www.nurseleader.com).

This journal and the individual contributions contained in it are protected under copyright by Elsevier Inc., and the following terms and conditions apply to their use:

**Photocopying.** Single photocopies of single articles may be made for personal use as allowed by national copyright laws. Permission of the Publisher and payment of a fee is required for all other photocopying, including multiple or systematic copying, copying for advertising or promotional purposes, resale, and all forms of document delivery. Special rates are available for educational institutions that wish to make photocopies for non-profit educational classroom use. **Permissions** may be sought directly from Elsevier's Global Rights Department in Oxford, UK: phone (+1) 215 239 3804 or +44 (0) 1865 843830, fax +44 (0) 1865 853333, e-mail [permissions@elsevier.com](mailto:permissions@elsevier.com). Requests may also be completed online via the Elsevier homepage (<http://www.elsevier.com/locate/permissions>). In the USA, users may clear permissions and make payments through the Copyright Clearance Center, Inc., 222 Rosewood Drive, Danvers, MA 01923, USA; phone: (+1) (978) 7508400, fax: (+1) (978) 7504744, and in the UK through the Copyright Licensing Agency Rapid Clearance Service (CLARCS), 90 Tottenham Court Road, London W1P 0LP, UK; phone: (+44) 20 7631 5555; fax: (+44) 20 7631 5500. Other countries may have a local reprographic rights agency for payments.

**Derivative works.** Subscribers may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions. Permission of the Publisher is required for resale or distribution outside the institution. Permission of the Publisher is required for all other derivative works, including compilations and translations.

**Electronic storage or usage.** Permission of the Publisher is required to store or use electronically any material contained in this journal, including any article or part of an article. Except as outlined above, no part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the Publisher.

Address permissions requests to: Elsevier Rights Department, at the fax and e-mail addresses noted above. **Notice.**

Practitioners and researchers must always rely on their own experience and knowledge in evaluating and using any information, methods, compounds or experiments described herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. To the fullest extent of the law, no responsibility is assumed by the publisher and the American Organization of Nurse Executives for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. Although all advertising material is expected to conform to ethical (medical) standards, inclusion of the quality or value of such product or of the claims made of it by its manufacturer.
