

Acknowledgement of Reviewers 2019

The editors of *Oral Surgery, Oral Medicine, Oral Pathology, Oral Radiology* thank the following reviewers and editorial board members for their dedication and time-consuming work on behalf of the journal for manuscripts submitted during the period from July 1, 2018 through June 30, 2019. They have provided rigorous peer review of submissions necessary to ensure that readers of the journal receive sound and reliable information.
