The authors regret that in Table 1 (page 142), footnote ‘a’ should be removed and in Table 2 (page 144), footnote ‘b’ should be removed. In Table 2 on page 144, in the cell corresponding to Human papillomavirus (row) and Cervix (column), the figure 100% should be presented

(the cell is currently blank). In Table 3 on page 145, under the column heading ‘Exposure,’ the cells ‘Fruit’ and ‘Vegetable’ should be switched.

The authors would like to apologise for any inconvenience caused.
