Publisher's Note

Due to an unfortunate technical error, the publisher regrets that article "*Bilateral functional connectivity at rest predicts apraxic symptoms after left hemisphere stroke*", by Christine E. Watson, Stephen J. Gotts, Alex Martin, and Laurel J. Buxbaum was briefly published with incorrect citation details. The incorrect citation originally issued for this

item was vol. 21, p. 1-13, whereas the correct citation is: Christine E. Watson, Stephen J. Gotts, Alex Martin, Laurel J. Buxbaum (2019), *Bilateral functional connectivity at rest predicts apraxic symptoms after left hemisphere stroke*, NeuroImage: Clinical, v. 21, 101526. <https://doi.org/10.1016/j.nicl.2018.08.033>.
