Removal notice

Removal notice to “Medication adherence of hospitalized Parkinson’s patients included in an intensive rehabilitation program” [Ann. Phys. Rehabil. Med. 61 (2018) 268]

F. Bour^{a,*}, C. Grezard^a, M. Cheminon^b, I. Peraud^b, J. Luaute^b, C. Rioufol^a, E. Carre^a

^a Pharmacy, hospices civils de Lyon, Lyon, France

^b Physical medicine and rehabilitation, hospices civils de Lyon, Lyon, France

This article has been removed: please see Elsevier Policy on “Article Withdrawal” (<https://www.elsevier.com/about/our-business/policies/article-withdrawal>).

This abstract has been removed due to a legal dispute regarding the eight-item Morisky Medication Adherence Scale (MMAS-8) which was used in the abstract.

Note that the removal of this abstract is not the result of any research misconduct.
