### Corrigendum to “Cognitive defusion for reducing distressing thoughts in adults with autism” [Res. Autism Spectrum Disord. 59 (2019) 34–45]

Max E. Maisel<sup>a,\*</sup>, Kevin G. Stephenson<sup>a</sup>, Jonathan C. Cox<sup>b</sup>, Mikle South<sup>a,c</sup>

<sup>a</sup> Department of Psychology, Brigham Young University, Provo, UT, USA

<sup>b</sup> Counseling and Psychological Services, Brigham Young University, Provo, UT, USA

<sup>c</sup> Neuroscience Center, Brigham Young University, Provo, UT, USA

There is a small typo in the "Method" section of the Abstract. The correct text is:

*Method:* Ninety-seven adult participants (AS group  $n = 42$ ; NT group  $n = 55$ ) answered questionnaires measuring psychological distress and dispositional levels of cognitive fusion.

The author would like to apologize for the inconvenience caused.
