Correction to: Support Care Cancer (2017) 25:1071–1077
<https://doi.org/10.1007/s00520-016-3494-6>

The “NCI Grant No. 5R25CA116339, Outcomes Research Branch of the National Cancer Institute, National Institutes of Health” is not included in the Funding information.

The below is the correct “Funding/Support”.

Funding/support This study was supported by the Interagency Quality of Care Committee, Applied Research Branch, National Cancer Institute (NCI), through an interagency agreement with the Veterans Health Administration and the Mayo Clinic Robert D. and Patricia E. Kern Center for the Science of Health Care Delivery, and the CTSA Grant Number UL1 TR000135 from the National Center for Advancing Translational Sciences (NCATS), a component of the National Institutes of Health (NIH). Its contents are solely the responsibility of the authors and do not necessarily represent the official view of NIH. The authors have full control of all primary data and agree to allow the journal to review the data if requested.

Publisher’s note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
