## Thanks to Reviewers

Since launched in 2014, submissions to the *International Journal of Nursing Sciences* have consistently increased in number and quality. We would like to sincerely thank all the peer reviewers for giving of their time and expertise so generously to this journal, without which it would be impossible to promote quality of the journal. We appreciate your dedication, insights, and willingness to serve. We hope more rapid, discerning, thoughtful, and constructive reviews will help both the editors and the authors involved improve their work for 2019 and beyond.
