ABSTRACT

There have been many infant researchers who have investigated issues of scholarly interest, but there has only been one Colwyn Trevarthen. This one Colwyn Trevarthen we want to essentially thank for his work with three small pieces of artwork derived from his thinking. We leave the discussion up to the reader.

The essential Colwyn Trevarthen

For Colwyn - the gentle Viking

1 On the beauty of a figure

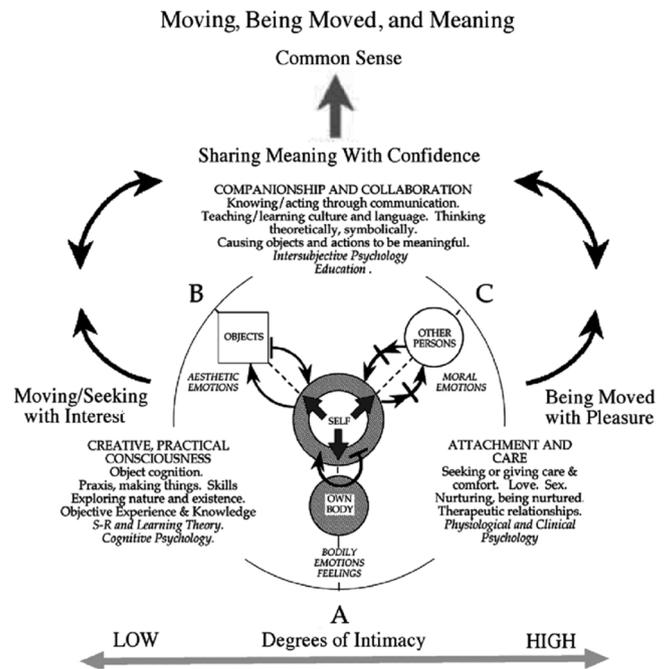

Figure 1: Yes! This all encompassing view of embodied intersubjectivity on the basis of attachment, culture and creativity (Trevarthen, 1979; Trevarthen, 2004; Trevarthen, 2011; Trevarthen, 2012a; Trevarthen, 2012b) has many interfaces with my own thinking (Koch, 2011; Fuchs & Koch, 2014; Koch, 2017; Koch, 2014; Koch & Fuchs, 2011; Koch, Glawe, & D. Holt, 2011; Koch & Fischman, 2011), it is just so much more ripe....
