

Correction to *Lancet Infect Dis* 2019; 19: e77–88

Khan PY, Yates TA, Osman M, et al. *Transmission of drug-resistant tuberculosis in HIV-endemic settings*. *Lancet Infect Dis* 2018; **19**: e77–88—In the Interventions to interrupt transmission of drug-resistant tuberculosis section, under the subheading Infection control, the ClinicalTrials.gov identifiers have been corrected. This correction has been made to the online version as of March 6, 2019.

Correction to *Lancet Infect Dis* 2019; 19: 348–49

Richardson ET, Fallah MP. *The genesis of the Ebola virus outbreak in west Africa*. *Lancet Infect Dis* 2019; **19**: 48–49—In this Comment, the following sentence was deleted because the data are unverified and, therefore, could be unreliable: “The PREVAIL studies in Liberia are also revealing that, when longitudinally followed up, some individuals’ titres switch from positive to negative and vice-versa, showing that identifying true Ebola virus infections by ELISA is not yet an exact science”. This correction has been made to the online version as of March 29, 2019.
